GROSS ANNUAL SALARIES OF £100,000 OR MORE

In accordance with the Academies Financial Handbook 2023, the trust must publish on its website, an extract from the disclosure in its financial statements for the previous year ending 31 August. This needs to be a separate readily accessible form that details the number of employees whose benefits exceeded £100,000, in £10,000 bandings. Benefits for this purpose include salary, employers pension contributions, other taxable benefits and termination payments.

The extract below is from the audited year-end accounts for the year ended 31 August 2022, compared to August 2021 – these include employer pension contributions.
